### **AUDITOR'S REPORT**

### To the Legislative Assembly of Manitoba

In accordance with Section 14 of The Provincial Auditor's Act, we have audited the financial information contained in Volume II of the Public Accounts of the Government of the Province of Manitoba for the year ended March 31, 1995. This financial information reflects the payments from the Operating Fund of the Consolidated Fund for salaries and wages in excess of \$25,000 and the payments in excess of \$5,000 to corporations, firms, individuals, other governments and government agencies. This financial information is the responsibility of the Government of the Province of Manitoba and has been prepared in accordance with the basis of presentation stated in the Introduction to Volume II of Public Accounts. Our responsibility is to express an opinion on this financial information based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information, as well as evaluating the overall presentation of the financial information.

In our opinion, this financial information presents fairly, in all material respects, the salaries and wages in excess of \$25,000 and the payments in excess of \$5,000 to corporations, firms, individuals, other governments and government agencies for the year ended March 31, 1995 for the Operating Fund of the Consolidated Fund in accordance with the basis of presentation stated in the Introduction to Volume II of Public Accounts.

As required by Section 14 of The Provincial Auditor's Act, we report that in our opinion, the basis of presentation is consistent with that of the preceding year.

Winnipeg, Manitoba September 8, 1995 Carol Bellringer, CA
Provincial Auditor
